TO WHOM IT MAY CONCERN

We hereby confirm that Casa Merchants has been actively working with Cemkimsan Kimya as their distributor in Morocco. For the past 3 years, we have been continuously purchasing their specialized Reverse Osmosis (RO) membrane chemicals for our industrial water treatment projects.

Cemkimsan's products have consistently delivered outstanding performance in protecting membranes, preventing scaling, and extending system lifespans. Their team provides top-tier technical assistance, precise dosage engineering, and dependable supply consistency.

We strongly endorse Cemkimsan as a highly capable and trustworthy partner for industrial water chemistry requirements.

Sincerely,

Saloua Belbagri
Partner & Director, Commercial and International Business Development
Casa Merchants Technology SARL
